"While eating in the park one day."

"... and furthermore."

Getting informed?

Nineteen Hundred and Fifty-one

A year we shall always remember; a year to be cherished forever in the minds of each Senior; a year of anticipation for the Junior; a year of "growing up" for the Sophomore; and for the Freshman—a year filled with new experiences which, at the year's end, become a sense of belonging.

As all years, it has had its failures, but they are outweighed by its successes. Like all good things, it has come to an end, but the pleasant memories will remain with us.

Did he make it?

"I finally got her."

The Twig hands out another scoop.

The year in retrospect

Registering (a marathon race) . . . finally settled, but not all work . . . thrills galore (seeing one's name in print) . . . those football dates . . . Homecoming . . .

"Y" carolers spread good cheer.

A devil of a prize winner.

Christmas vacation . . . those long, dreary months (January and February) . . . comes spring and the event of events (Junior-Senior) . . . then the grand finale (graduation).

Bill and Joan off to the Junior-Senior.

Press onward.

Dedication

THE untiring efforts, patience and co-operation of MRS. BURCH ALLISON, Twig Adviser, have made it possible for Hickory High to have a school paper which has received national recognition and has become an important part of every student's high school life. For her excellent guidance as the adviser of our paper, and for her unwavering school spirit, we dedicate this, the 1951 Log.

The School

SUPERINTENDENT

The School Board and the Superintendent of City Schools handle all business affairs pertaining to school, but the Superintendent is director and manager of all educational policies, such as teacher rating, selection of text books, and progressive changes *ad infinitum*.

Mr. J. Loy Sox has been Superintendent of Schools in Hickory since 1947. Before this he was Educational Director of the North Carolina Prison System.

The direction and integration of the school's educational aims require attention to endless details. The new building project alone fills the Superintendent's day doubly with conferences, correspondence, visits, telephone calls, and meetings.

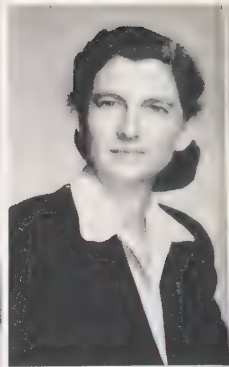

PRINCIPAL

Ever since 1932, Mr. W. D. Cottrell has been the axis of Hickory High School around which the life of the pupils and teachers revolves.

Every morning there is a mad scramble in his office with students obtaining "pink slips" and teachers collecting their records. During the day Mr. Cottrell is busy advising the pupils and keeping the school in strict routine.

His character and strength work their way to the hearts of the students of Hickory High.

STUDENT COUNCIL

At Hickory High the Student Council is the governing body. Belonging to the Student Council is an honor, because you are elected by your class to represent them. The new bus, the P.A. system,

and the school address books were the main projects of 1950-1951. The school is very proud of its council; a hard-working, ever-active organization.

The desire of most girls at Hickory High is to become a member of the Tri-Hi-Y, for its name carries trust, responsibility, and versatility. You feel your hard work and time studying at the training school are not in vain, when you repeat your vows at the impressive induction ceremony. You develop a feeling of "being somebody"

The Beta Tri-Hi-Y, consisting of junior girls, and the Alpha Club of senior girls elect officers and two representatives to the "Y" Council. This Council has representatives from all four "Y" Clubs and discuss needs and problems of the group.

Along with helping others, the girls, as well as the boys enjoy a retreat each year, and representatives are elected to an annual convention.

Through a fellowship such as theirs the girls meet new friends, develop their minds and talents, and help make our school a better place in which to work and play.

An industrious group, the chorus is always working toward some new goal. Perhaps it's a "Spring Fantasy," perhaps a Christmas concert such as the one given jointly with the chorus of Albemarle High School this year. The group entertains often in chapel and for numerous civic clubs, and travels yearly to Asheville for the district music contest.

The Monogram Club, composed of all students receiving letters for their participation in athletics at Hickory High, has become a very active organization this year. Tag day was held to raise money for sweaters for members. With its purpose in mind, "to improve and advance sportsmanship at Hickory High School," the club continues to grow and become more active.

BUS DRIVERS

The many students who ride the bus to school each day owe a great deal to the group of boys who serve as bus drivers. This job takes careful driving, quick thinking, and much patience. The bus drivers know well their responsibility, and their job is well done.

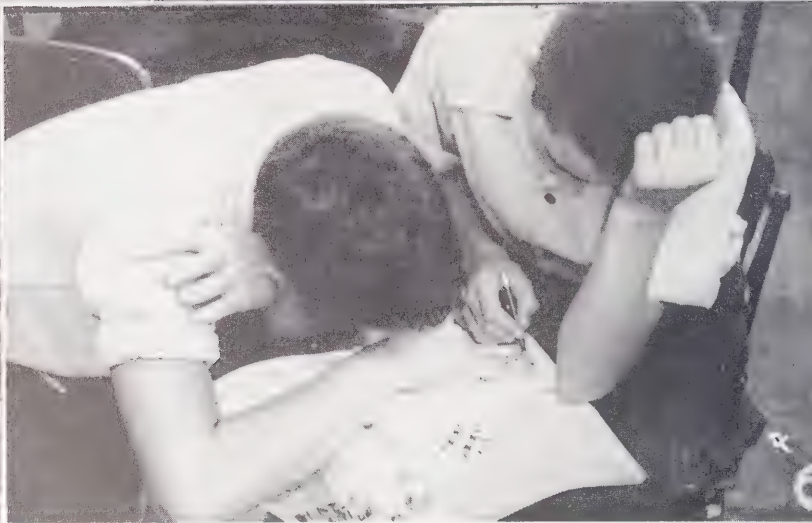

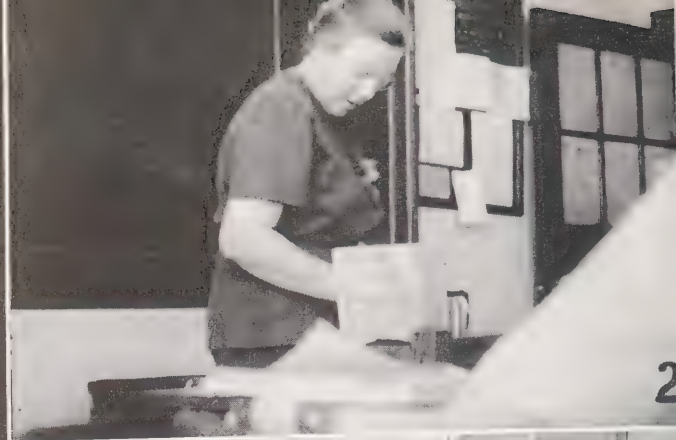

JANITORS

Left to right: Albert Reed, Arthur Mackie, George Fingers.

Albert, Arthur, and George, Hickory High's faithful janitors, are always on the job. Nearly every day, Arthur is seen cutting grass, raking leaves, picking up paper, and doing other things to keep the campus neat. Albert and George take care of the building. They sweep the halls and stairways, turn on the heat in the auditorium, and patiently listen to everybody's gripes. George drives the activities bus and often entertains its passengers with singing.

All in all—they keep the school very clean!

Rah . . . Rah . . . Rah! Rah! Rah! What's a school without school spirit? And where would our school spirit be without our cheerleaders? Chosen by their classmates, they are well qualified to lead the cheers which give our teams the confidence they need to win.

With Billy Ed and Frances leading the pack as head cheerleaders, they give us plenty support for our teams on the field and the court.

COACHES

COACH MILLER

Hickory High School is proud to add to its coaching staff one of its alumni, Coach Gene Miller. Coach Miller graduated from H. H. S. in 1941, after lettering in baseball, football, and basketball. For his higher education he attended Lenoir Rhyne College, where he played football and baseball. He set many records as a passer for the L. R. football team and played second base on the baseball team. After one year at Oxford, which he coached to the Catawba County basketball championship, he accepted the position as head basketball coach and assistant football coach.

COACH MITTEN

After he graduated from Shippensburg High School in Pennsylvania, where he lettered in football, 4 years; basketball, 3 years; and baseball, 2 years, Coach "Bob" Mitten enrolled in the University of North Carolina. There he received his A.B. degree in 1948, majoring in Physical Education. He lettered 4 years in football and was selected on several All-Southern Conference teams and played

in two Sugar Bowl games. Following graduation he became a coach at the University for a year, before accepting the position as head football coach at Hickory High. Coach Mitten developed his inexperienced players around his two returning lettermen and made a winning football team. Coach Mitten also coaches track.

COACH BARGER

Coach Frank Barger attended China Grove High School four years and received letters in baseball and football and was captain of the 1940 football team, his senior year. After graduation he enrolled in Lenoir Rhyne College, participating in football and baseball. The next three and a half years were spent in the U. S. Navy. He returned to L. R. and was selected on the All-Conference football team for three straight years. He was captain of the 1948 football team and in 1949 was selected on Lenoir Rhyne's All-Time Great team. This is Coach Barger's second year at H. H. S. He teaches health, is line coach for the football team, head coach of baseball and girls' basketball.

6. The mighty clouders, Charles, Sonny, and Gene.
7. Time out for a breather.
8. Something for you?

First row: Bruce Bishop, Joe Buff, Robert Shirley, McCoy Turbyfill, Gene Kirby, Jimmy La Fone, Bill Walters.

Second row: Tommy Swatzel, Gene Frve, Bobby Hendrix, Ted Hefner, Billy Jo Starr, Jerry Canipe, Bob Mauser, Landis Owens.

Third row: Coach Barger, Dick Bumgarner, Carol Warren, William Frye, Jimmy Whisnant, Fred Dale, Charles Camp, John Coulter.

Hickory's fourteen-hit attack with a perfect four for four, with four other players getting two hits each. Although Lenoir secured nine hits, Bishop was never in serious trouble.

Hickory High continued their winning streak, by defeating Shelby High 7-5. Tommy Swatzel won his first game of the year, although he needed help in the later innings by ace relief hurler Landis Owens. Hefner with 4 for 5 and Dale with 3 for 4 led Hickory's 12-hit bombardment.

Hickory suffered their first loss of the season as Marion High eked out a 10-9 win. Marion garnered only 7 hits off 3 Hickory pitchers, but took advantage of 6 errors. The Rippers scored 4 runs in the eighth inning to take the lead. Three Hickory players secured 2 hits each, with Proctor hitting a home run for Marion.

Hickory won their 12th game of the season against one loss by again overpowering Lenoir. Hendrix and Dale with 3 for 5, one of Dale's a home run, led

Hickory at the plate, with two other players slapping out 2 hits each. Bishop won his 5th game of the season.

Tri-Hi scored 4 unearned runs to defeat Hickory's ace Bruce Bishop by the score of 5-4. Hickory held a one-run lead until the 8th inning, when Tri-Hi scored two of the unearned runs to go ahead in the ball game. Camp and Walters, with 2 for 4, were the leading hitters.

Hickory clinched their second Western Conference Championship in three years by defeating their arch rivals, Newton-Conover, 3-1. Although Hickory got only 7 hits, timely clutch hitting made the margin for the 13th win. No Hickory player secured more than one hit.

Hickory ended a very successful season by defeating Newton-Conover's ace, Hoyt Lewis, for the second time within a week. Tom Swatzel won his second game of the year by slipping the third strike by 11 Newton-Conover batters. Walters was the leading hitter with 2 for 4.

I have been busy with you instead of my

person. I would want you to be, so I might
go. I haven't met you quite like you, you are
so much more than I can write more than a
few words. I hope I can be a friend
of yours as long as I live.

Maybe I will get to go like riding with you

Dear Peggy,

I don't believe we've had a single class together this year. I remember last year we had home room together, but that's already past so let's talk about now. We still have lots of fun together, don't we? I want you to get a tennis racket so we can play a lot this summer, because I can't think of a thing I'd like better.

I don't know whether you want me to write on this page or not, but it's too late now so I'll just go ahead.

I believe we've had more fun this school year than any other, and it just doesn't seem possible that it's really almost over (I'm really afraid in a way though). This year has certainly held some wonderful surprises, especially when I made Tri Hi Y, I still wish you would have gone out for it, for we sure could have fun.

Even though we didn't have classes together this year, we were still together before and after school. I've enjoyed walking to school with you and also stopping in at the drug store after school. (They were awfully nice to let us read their comic books.)

I've just got one more thing to say and that's "Lots of luck and happiness and all that sort of stuff to a truly wonderful person, for that's just what you are."

Love,
Marilyn
